Date 9th June 1944

From

PRESIDENT CITY MUNICIPAL COUNCIL
MYSORE

C Narayanaswamy Naidu, Esq , B.A ,B L ,
Legal Remembrancer and Secretary to Government,
Law Department, Bangalore.

Sir,

Subject - Engaging hired Rubbish carts in the Mysore City municipality

I have the honor to state that out of the 48 rubbish carts maintained in the Municipality, only 26 carts are in working order and the others are unserviceable for want of major repairs which have been held up on account of scarcity of materials Even the carts in use are being repaired often and it has become very difficult to arrange for the quick removal of rubbish from the several places in the city The Health Committee who considered the question last year sanctioned the entertainment of one hired cart at Rs 30(thirty) per mensem which is working from 1-6-1943 The necessity for such carts became more and more and on 9th May 1944 the Committee sanctioned the entertainment of 10 more carts for use in various Kohallas The Health Officer who was requested to engage the carts reported that the hire charges would come up to Rs 35 per mensem per cart and that the tender of one Mr N Srinivasan for supply of ten carts may be accepted The Municipal Council in their resolution No 826 dated 29-5-1944 approved of the proposal to engage hired rubbish carts at Rs 35/- per mensem and to obtain the carts from Mr N Srinivasan, contractor The carts have been entertained from 15-5-1944

In this connection, it is to be stated that the note under Rule 27(2) Municipal accounts manual reads as under -

"Expenditure incurred on carts entertained on monthly payments is regarded as establishment charges and sanction of Government is necessar before expenditure can be incurred "

In the present instance though carts are entertained on monthly payments, the supply of carts is made by a contractor who receives a

lumpsum payment for all carts supplied, once a month. Therefore the nature of contract is the same as that of execution of works and I feel that sanction of the Municipal Council in the case is sufficient As the above rule is not clear on th point, I request you kindly to obtain early sanction of Govern ment for having entertained these carts in accordance with the Municipal Council resolution

I have the honour to be,
Sir,
Your most obedient servant,

PRESIDENT
